

**CLIENT INFORMATION for Landy Marr Kats LLP, solicitors for the Class**

**RE: 911 Emergency Access Fee Charged by Bell Mobility to its' customers who have no 911 Emergency service**

**Court File No:**

As you may be aware, we are the solicitors for the Class Action commenced on behalf of all Canadians who receive cellular phone services from Bell Mobility and who pay for access to 911 Emergency Services despite the fact that they reside in areas without the 911 Emergency Service or who have cellular phones with an area code that does not have 911 Emergency Service.

If you are a Bell Mobility Customer who pays for 911 Emergency Service when that service is not available where you reside or within your cellular phone area code, **please complete and return this form as soon as possible.**

Include as much information as you can, but even if the form is incomplete, please return it as soon as possible.
